DEFINITION

In this Release Agreement the term "Eco Activities" shall include all activities, events and services provided, arranged, organized, conducted, sponsored or authorized by the Releasees and shall include ziplines, QuickJump, and related Eco Activities.

TOUR DESCRIPTION

You will be outfitted with a helmet and two-point seat harness. A guide will advise you of the flying and landing position. You then begin your tour by ziplining on the 100m Flying Fox zipline. Participants are then driven in a shuttle vehicle to the site of the remaining two ziplines in Chase Canyon. During the tour guides provide verbal interpretation during light trail walking to launch platforms. You will zipline through the canyon on the 150m Salmon Run line and the 300m Big Horn line. Guests are then brought back to the staging area to complete the tour with a QuickJump jump off of the Flying Fox tower.
